

FEED-RITE LTD.

May 19th, 1983

Manitoba Hydro  
820 Taylor Ave.  
Winnipeg, Manitoba  
R3M 3T1

To Whom it May Concern:

I would like to take this opportunity to recommend Valley Steel.

The construction of our truck garage in 1982 was done in a very professional and timely manner and we have no hesitation in recommending them to you.

If you require any further information, please call at your convenience.

Yours truly,

F E E D - R I T E L T D .

H. J. Vis,  
Executive Vice President
