Dear Sirs:

On behalf of Nicickousemenecaning First Nation and all its community members, I would like to extend our gratitude for the generous donation you have made to the Grand Opening of the Community Activity Centre. We do apologize for the mixup in the invoice and the time taken in responding to your donation.

We would also like to take this opportunity to commend your organization on the attention given by all members of your organization during all phases of this project. This attention is evident in a building many of our residents use and are proud of. In closing, we have enjoyed doing business with you, and have no qualms in recommending you to other organizations who are thinking of constructing an activity centre. Please feel free to release our names as satisfied customers.

Once again, our thanks.

Yours truly,
